Features

DG

- Heavy Duty
- Chamfered edge reduces risk of hand injury when lowering door
- Wrap-around track design allows for free operation of door
- Standard model projects 6" from wall
- Anchors to both wall and floor (Hardware not included)
- Columns are $\frac{3}{16}$ " thick steel
- Base plate is $\frac{3}{8}$ " thick steel with three $\frac{5}{8}$ " holes
- Made in the USA
- Durable safety yellow powder coat finish.
- Engineered for enhanced strength and protection

DG 3

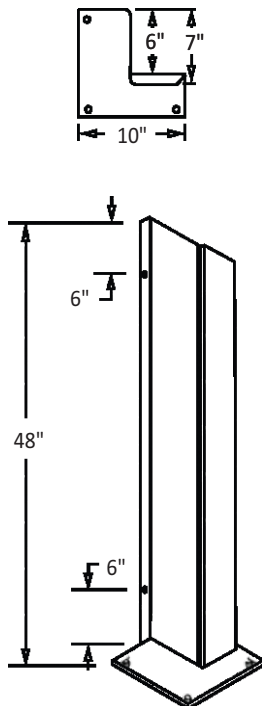

- Standard duty model
- DG48-3 has $\frac{1}{4}$ " x 6" x 6" steel base plate and only fastens to floor (fasteners not included). $\frac{1}{2}$ " anchors recommended.
- DG48-3 is a smaller lighter model that allows for tighter fit around door track, or can be used as a corner protector.

Optional Features

- Optional anchor kit available for purchase
- Custom sizes and designs available
- Other color options upon request
